Terms and Conditions

BAGGAGE:

Client travelling by air will be subject to the airline restrictions / limitations on baggage weight / size / number from time to time. Traditionally, each airline allows their customers to bring one carry-on bag and one personal item, such as a pocket book, backpack or laptop bag. The dimensions of which should not exceed 115 linear cms and weight should not exceed 7 kgs. Currently, the airline restriction is 20 kgs for economy class on flights to all destinations except U.S. and Canada where a person may carry 2 pieces of checked in baggage and one hand bag. Furthermore, baggage is not included for internal flights in USA.

One needs to pay for every piece of baggage checked in. The charges vary from US \$ 25 to US \$ 35 per bag. Please check with your sales staff for correct details.

We are not liable, in any manner, if you are unable to carry any baggage or if you have to pay any extra-charges due to restrictions imposed by the airline. You shall be liable to pay all such charges directly to the airline. Also, we are not liable for any loss or damage to baggage while it is in the custody of the airline.

The table below gives a general overview of the general baggage allowance for a full service airline. Baggage allowance is based on a Weight or Piece (number of bags) concept. Please note that every airline has a different set of rules and regulations regarding the weight restrictions and furthermore, airlines keep changing the rules quite frequently. Hence, you are requested to please check the updated baggage rules of the individual airlines, with whom the ticket is booked. As porter age is not included in the tour price and due to limited space for luggage in the coach, we recommend that you carry one single suitcase per person of a size of 158 cms. (width + length + height) preferably with wheels for sake of convenience. All baggage and personal effects are at all times and in all circumstances the responsibility of the Client. Please be careful to ensure that cameras, binoculars, musical instruments, mobile phones, credit cards, ornaments, traveler's cheques, currency notes, travel documents should never be left unattended in the hotel, restaurant, aircraft, coach or any other mode of transportation, at the place of amusement / sightseeing and / or at the railway station. Similarly the aforesaid items should not be kept in the checked-in baggage. If you misplace or lose any moveable property we will not be in any way responsible and / or liable. We may not be in a position to assist and / or lodge a complaint with the authorities.

SAFE DEPOSIT LOCKERS:

It is advisable that the tour participants carry their valuables on their person at all times. If Safe Deposit Lockers are available, the tour participants should avail the facility at their own risks and liability. This facility may be additionally charged by the hotel, which will have to be directly paid by the client to the hotel. If the Safe Deposit facility is not available, the tour participants must take all necessary precautions in protecting their valuables as the Company / service providers / company's representatives shall not be liable for any loss of valuables or for making good such loss.

TIPPING:

Tipping is customary (unless otherwise stated in the voucher) in all parts of the world for services rendered (e.g. porters, coach drivers, guides etc). Your Sales advisor will guide you in this regard.

Please adhere to time discipline so that scheduled sightseeing is not missed due to your actions. In case any sightseeing or services are missed due to your default the same will be non-refundable. Tour Participants are requested to strictly follow the time schedule given at all times including the departure time from the hotel, sightseeing places, etc.

In the event that the Client wakes up late and misses breakfast and in the event that the Client is out on his own and reaches late and misses meals, then no claim can be made by him for the meal which he has missed and not utilized.

CURRENCY AND TRAVELLERS CHEQUES:

We suggest you take your holiday spending money partly in currency, partly in travelers cheques or Travel Currency Card. Travellers cheques are a safe way to carry money as they are easily encashed for a small service fee and can be replaced if they are stolen or lost, provided you have the lost travellers cheque numbers and the counterfoil subject to American Express being satisfied with the genuineness of the claim. Alternatively, you can take a Travel Currency Card, which is by far the safest way to carry money and make payments.

Requests for double rooms will be subject to availability and in cases when a double is not available, we will provide you with a twin room. We recommend a maximum of only three persons in one room. In such cases, cancellation charges as applicable by the company will apply and the decision of the company will be final and binding upon

you. Under the circumstances, you agree not to proceed legally against us unless there is a manifest error from our end.

The Company would not be responsible in any manner whatsoever for any clerical error done by the concerned Embassy / Consulate regarding name, attachment of wrong photograph, duration and type of visa (single / multiple entry) or passport number. We always use services of reputed courier companies for the purpose of
